Faculty Development – Setup

The Faculty development Setup form captures information about the specific types of faculty development activities conducted by grantees using BHW funds. Please select the type(s) of faculty development activities supported that took place during the reporting period and were supported with BHW funds. If you have any questions about how to complete this subform, please refer to the instruction manual and/or contact your Government Project Officer. If you wish to view data that were submitted in the prior reporting period, click on the 'View Prior Period Data' link and a read-only version of your most recent prior performance report will pop-up in a new screen.

Selections in this form will affect all subsequent faculty-related forms.

IND-GEN: Individual Characteristics

The IND-GEN form captures individual-level information about students, faculty, or other types of awardees who either received direct financial support (e.g., loans, loan repayment, scholarships, or stipends) through a HRSA grant or participated in specific types of HRSA-supported training. Please complete this form in its entirety. If you have any questions about how to complete this form, please refer to the instruction manual and/or contact your Government Project Officer. If you wish to view data that were submitted in the prior reporting period, click on the 'View Prior Period Data' link and a read-only version of your most recent prior performance report will pop-up in a new screen. Also, records about ongoing training programs or activities from the prior reporting period will auto-populate into this form and are identified as 'Prior Records' under the column labeled "Record Status".

<p>* Do you have either a) students, trainees or faculty who received direct financial support (e.g., scholarships, stipends, loans, loan repayment) from a HRSA-funded grant OR b) updates to provide for students or trainees who received direct financial support in a previous reporting period?</p>	<input type="button" value="Yes"/>	<input type="button" value="No"/>	<p>(complete IND-GEN) (click Save and Validate button to proceed to the next form)</p>
