Training Program – Setup

The Training Program Setup form captures general information about the types of training programs that were supported with BHW funds during the reporting period. Please complete this setup page for each training program that was offered during the reporting period and was supported with BHW funds. Enter each training program separately by selecting from the drop-down menu under the ‘Add Training Program’ section. Once selected, click the ‘Load Program Details’ button and complete the remaining follow-up question(s) related to your selection. Once you have answered all follow-up questions, click on ‘Add Record’ to save your entry. If you wish to view data that were submitted in the prior reporting period, click on the ‘View Prior Period Data’ link and a read-only version of your most recent prior performance report will pop-up in a new screen. Also, records about ongoing training programs or activities from the prior reporting period will auto-populate into this form and are identified as ‘Prior Records’ under the column labeled "Record Status".

Note(s):

You must enter each training program that was supported with BHW funds separately. Do not include any information about faculty development or continuing education offerings in this form. If you have any questions about how to complete this form, please refer to the instruction manual and/or contact your Government Project Officer.
