

FISCAL YEAR 2025 NURSE CORPS SCHOLARSHIP PROGRAM DEFINITIONS

ACADEMIC YEAR. All Nurse Corps Scholarship Program contracts are for a defined academic term. Under the Nurse Corps Scholarship Program, all academic years run from a contract period of July 1 through June 30 of the following year. For example, if a student is in a full-time 24-month program that begins on August 2, 2025, and they sign a contract for two academic years, the student will receive a stipend, other reasonable cost, and tuition payments from July 1, 2025 through June 30, 2027.

Funding for additional months of the program beyond the contract period end date of June 30, 2027, would require the student to request a third year of scholarship funding, and if granted, obligates the participant to 3 years of full-time service.
