Statement for the removal of the Selective Service Requirement

While previously required by statute, borrowers in the Health Professional Student Loans (HPSL), Loans for Disadvantaged Students (LDS), and the Primary Care Loan (PCL) programs are no longer required to register for the Selective Service. Because the statute was amended by Congress in March of 2022, HPSL, LDS, and PCL grant recipients can no longer require borrowers to register for the Selective Service as a condition of receiving a loan under one of these programs.
